## 2015 OAKLEAF VILLAGE SCHOLARSHIP AWARD WINNERS

This year the Oakleaf Village Homeowners Association gave out scholarship awards to two of our residents, Shanti Robinson and Benjamin Pemberton. Shanti is pursuing a career in clinical therapy while Benjamin is going into engineering.

The board felt that these two students were both deserving of the award and wish them luck in their further studies and future careers.

SAVE THE DATE

OCTOBER 24th 2015

FALL FESTIVAL!

This year the Homeowners Association is going to try something new. This autumn we are going to have a Fall Festival.

Although still in the planning stages, the board is looking at having the following;

- Free Food and Drinks
- Costume Contest
- Games / Cake Walk
- Coloring Contest
- Pumpkin Decorating Contest
- Live Music
- Hay Rides
- Family Photos

We are hoping that this festival is going to be our biggest event yet. **In order to help make this happen we are looking for sponsors.** Whether you own a business and would like some neighborhood advertising or a resident that wants to pitch in to make this a great event, we can use your help. Contact Tom Tucker at 937-5935 if you would like to be a sponsor or a volunteer.

CRUISE FUN

The March 28th Nature cruise was a definite success!

Thanks to all that came out for this little adventure. For those that were unable to attend, we saw dolphins up close (see photo above), Great Horned owls, Pelicans, and Osprey.

The guide was very informed on the area and its wildlife. When the boat road up on Anclote Key, we disembarked for an hour and searched the beach for shells. Everyone was able to walk away with at least a bag full of nice sea shells.

All in all it was a good cruise and a great day.

REMINDERS

TRASH BARRELS

It has been requested that we remind all residents that trash should be placed on curb sides no earlier than the evening prior to pick up. There has been several complaints of people putting out their trash days before their scheduled pick-up. This is especially true when dealing with yard waste.

In as far as yard waste is concerned, the trash collectors have told us time and again that they will not pick up piles of loose branches. If you have yard waste such as branches please make sure they are bundled with string, duck tape or twine and are no longer than 4 feet in length.

Please keep the neighborhood looking nice and do not leave trash cans and yard waste on the sidewalks for days at a time.

KEEPING YOU SAFE

PLEASE LOCK YOUR CAR

We have been informed that car break ins have been on the rise of late. So we are reminding all residents to not only lock your car doors but also either remove valuables from your vehicle or at least keep them out of site.

Another suggestion is if you have a GPS system in your car, set your home location to the local police department. This way, if someone breaks into your home while you are at a store they will not know where you live.
