Halloween Safety Tips
for Trick or Treating

Kids look forward to Halloween for many reasons. They like the
dressing up in costumes but the mostly they like it for the candy and
treats! Who wouldn’t? Even some adults still like to go our trick or
treating. It makes them feel young and happy again. While this section
sticks mainly to guidelines for kids, they are just as useful for adults.

Trick or Treating should be one of the great adventures of Halloween
for kids! They can get dressed in scary costumes and go door to door,
begging “Tricks or Treats!” from neighbors or at the local mall. Lots of
small towns have a Halloween Safe Night at the community center or
school so kids can Trick-or-Treat safely but going door to door is the
stuff of childhood memories! It should be a fun time, without trouble
and pain, so following some easy tips can keep your child safe every
Halloween.

- Younger children should always go out trick or treating accompanied
by a responsible adult. If you have a group of kids going, the parents
should choose two or three of them to go along and keep an eye on
things.

- Some towns set a curfew for trick or treating which makes it easier
for townsfolk to know who’s coming to their door. Make sure and stick
to the curfew times and stick to subdivisions and areas with a lot of
homes so your kids can get in as much trick or treating as possible in
a few hours time.

- Plan a safe route so parents know where their older kids will be at
all times. Set a time for their return home. Make sure that your child is
old enough and responsible enough to go out by themselves. Make sure
that they have a cell phone.

- Let your children know not to cut through back alleys and fields.
Make sure they know to stay in populated areas and not to go off the
beaten track. Let them know to stay in well lighted areas with lots of
people around.

- Instruct your children not to eat any treats until they bring them
home to be examined by you. This way you can check for any problem
candy and get the pick of the best stuff!

- Instruct your child to never go into the home of a stranger or get
into their car. Explain why this is not a god idea and what to do if
someone approaches them and tries to talk to them.

- Make sure your child carries a flashlight, glow stick or has reflective
tape on their costume to make them more visible to cars.
