LEAF BLOWING

The City of Tarpon Springs would like to remind residents that you should not blow leaves into the street. They will not only clog the storm sewer system, causing the water to back up into the street, but also decay in our ponds and lakes causing algae blooms killing fish and wildlife.

THERE BE GATORS!

An alligator has been seen in the pond between S. Disston and Golden Oak Dr. Be careful when walking your children and pets.

SECURITY PATROL VOLUNTEERS STILL NEEDED

Creepy Graveyards, Ghosts, skeletons and zombies are scary, but, there is little more horrifying than coming home after a vacation to find your home robbed or car stolen. This why we have a neighborhood security patrol. It's purpose is to help cut down on those nightmares. Unfortunately it only works when people are willing to volunteer to be part of it.

Just having someone driving by with security patrol signs on the car is a deterrent. There is no set schedule for the time to do the drive by so it can't be timed by thieves or vandals. We need more volunteers to do this. Right now, each member is scheduled for two consecutive days per month. Each drive by takes between 30 and 45 minutes once a day so 1 to 1 1/2 hours per month is all that is needed. Please call Tom Tucker if you would like to help. 727-937-5935
